Meet The Faculty

Known as **one of the best Biology teachers**, **Rohit Sati Sir** did his M.Sc. at Life Science. He started Rohit Sati Classes in 1999 to help students in Kumaun achieve their medical career dreams. Rohit Sir has **25 years of teaching experience**.

Vishal Kalra Sir, M.Sc in Chemistry, has been **teaching the Chemistry for 22 years**. His extensive expertise and commitment to education have made him a **respected figure, guiding numerous students towards academic excellence in chemistry**.

Er. Amar Bohra Sir, a B.Tech graduate, has been **teaching physics to the students for 9 years**. His technical expertise and dedication have made him a **trusted and effective educator** in the field.

Saurabh Pandey Sir is a child and parent counselor. He likely provides **counseling and support to students and their parents** to help them manage the stress of preparing for NEET exams and navigate the challenges of adolescence.

The Study Environment

No Crowded Classrooms: Limited student classrooms ensure you get the individual attention you deserve.

Comprehensive CCTV Surveillance: CCTV ensures a safe and secure learning environment for all.

Air-Conditioned Classrooms: Beat the heat and stay focused with our air-conditioned classrooms.

Biometric Attendance: Convenient biometric attendance keeps track of students' progress seamlessly. Additionally, parents receive daily SMS notifications of their child's entry and exit times.

Library Access: Expand your horizons with our extensive library - completely free for students!
